Interaction between boat owners and the people who attend Wisconsin Canoe Heritage Day is our goal, so all exhibitors are encouraged to display their materials with that in mind. Education is our core mission, so all exhibitors are expected and should be prepared for a public that is both curious and experienced with canoes and wooden boats. Tell your stories, share your experience, teach as well as sell. Boat exhibitors are encouraged to share photos and stories throughout the show. Businesses and other exhibitors are encouraged to create displays specific to wooden boat, paddling, and water loving audiences. All exhibitors are welcome to present demonstrations in our canoe shop or ongoing at your booth. If you've got an idea and want to schedule a presentation in our canoe shop, contact Jed Malischke at jed@wisconsincanoeheritagemuseum.org.
